

# Seasonal Houseplants

Certain plants are only available at specific times during the year mainly due to their blooming cycle.

Below are typical seasonal availability:

March-May

- Easter Lilies
- Jasmine (in bloom)
- Spring Cactus

November-January

- Amaryllis
- Christmas/Thanksgiving Cactus
- Poinsettias

We always try to keep a variety of other flowering plants year round for added interior color or for thoughtful gifts.

- African Violets
- Anthuriums
- Begonias
- Cyclamen
- Kalanchoe
- Orchids
- Peace lilies
- Streptocarpus
